
The Re-Movâ„¢ â€œPlain and Simpleâ€•â„¢ Refund Policy

We believe in the products we sell. Frankly, we haven't found anyone who has used Re-Mov® properly and been dissatisfied with the results. More than not, they find that the product literally saves them hundreds…even thousands…of dollars per bottle in savings in time and materials.

So, here's the challenge and the details. If Re-Mov® doesn't work to your satisfaction, we'll refund your money. Only a few stipulations:

Give us an email at info@re-mov.com or call us at 941-753-5669, and let us know what happened. You bought the product to solve a problem, and if it didn't we want to be able to help you solve it. If we can't, we've found something new to work on, as we're out to provide you with the best product line possible.

If we're still unable to resolve your problem to your satisfaction, return the unused portion to us with a receipt, circling the price paid. We'll send you a check for the entire price paid

Limit one refund per address.

That's it. No hundreds of details, lawyers working overtime on legal copy, codicils, parts of the third part, etc. You either find as hundreds have that Re-Mov solves problems and makes work easier, or you don't pay.
